Register to Vote and Request Your Ballot Now!

Many States allow you to vote only in the year your ballot request (FPCA) is received, but due to the early primary dates, these States have made an exception. These States allow you to submit your FPCA now in 2011 so that you receive your State ballot and return it in time to be counted for these primaries. *At this time, New Hampshire has not determined its Presidential Primary date. An FPCA received by New Hampshire Town or City Clerks on or after January of 2011 is valid through the 2012 Presidential Primary.

HOWEVER! To ensure you are eligible to vote in other 2012 elections, including the General Presidential election, you must submit an FPCA AGAIN in January of 2012!

All members of the U.S. Uniformed Services, their family members and citizens residing outside the U.S. who are residents from these States should submit an FPCA for these elections by going to FVAP.gov or by following the instructions in the Voting Assistance Guide, also available at FVAP.gov.

Be sure you include a phone and/or fax number and an email address on your absentee ballot application in case your local election official needs to contact you. And, remember, many States allow you to submit your form electronically, and deliver your ballot electronically or provide online ballot access. Go to FVAP.gov or your State's election website to see how you can return your form. You can find your State's website at FVAP's web portal: <http://www.fvap.gov/reference/links.html>.

To find out the status of your registration/absentee ballot request, contact your local election office at <http://www.fvap.gov/shortcuts/wheresendfpca.html>, or visit your State website.

The Federal Write-In Absentee Ballot (FWAB)

The FWAB is a backup ballot. If 30 days before the election you think you will not receive your State ballot in time to vote and return it, vote the FWAB! Go to [FVAP.gov](http://www.fvap.gov) and get started! You may also submit the FWAB any time after submitting an FPCA.
